

Majestic Mountain Sage, Inc.

MATERIAL SAFETY DATA SHEET

Identity: Liquid Silk
INCI: Hydrolyzed Silk

SECTION I

Company Name: Majestic Mountain Sage, Inc.
Address: 918 West 700 North Ste 104, Logan UT 84321
Telephone: 435.755.0863
Date Prepared: February 7, 2005

SECTION II: Hazardous Ingredients/Identity Information

Hazardous Components

Specific Chemical Identity:

(Common Name)	OSHA	PEL	ACGIHT	TLV	Other Limits
---------------	------	-----	--------	-----	--------------

1. None

This product is not considered hazardous under OSHA 29 CFR 1910.1200.

SECTION III: Physical/Chemical Characteristics

Physical Form: yellow liquid

Odor: mild, characteristic

Solubility in Water: soluble

Specific Gravity: 1.02

Boiling Point: °C 105

Vapor Density: same as water

Vapor Pressure: same as water

pH: not applicable

SECTION IV: Fire and Explosion Hazard Data

Special Hazards: none known.

Flammability Summary: this product is not known to be flammable, combustible, pyrophoric or explosive

Flash Point: not available

Auto Ignition Temperature: none

Extinguishing media: Not applicable, choose extinguishing media suitable for surrounding materials.

SECTION V: Reactivity Data

Stability: [X] Stable [] Unstable

Hazardous Polymerization: will not occur

Conditions to Avoid: High Temperature

Chemical Incompatibility: strong oxidizing agents

Hazardous Decomposition or By Products: carbon dioxide, carbon monoxide

SECTION VI: Health Hazard Data

Route(s) of Entry: Inhalation? Y Skin? Y Ingestion? Y

Carcinogenicity: None **NTP:** N **IARC Monographs:** N

OSHA Regulated: N

Emergency and First aid Procedures:

Inhalation: Remove to fresh air, not expected to be toxic by inhalation, not a respiratory irritant

Skin Contact: No significant adverse effects to health would be expected to occur from dermal contact. Flush skin with plenty of water, call physician if irritation develops.

Eye Contact: Flush with water with plenty of cool water, consult a physician as needed

Ingestion: Consult physician, abdominal discomfort may occur.

SECTION VII: Precautions for Safe Handling and Use

Steps to be taken in case material is released or spilled: Contain, absorb and dispose of in accordance with local, state and federal laws.

Waste Disposal Method: No components subject to land ban restrictions

Other Precautions: Wear personal protection equipment prior to start of any response.

SECTION VIII: Control Measures

Protective Apparel: Recommended use of impervious clothing recommended for routine use of product.

Eye Protection: Use safety glasses with side shields

Respirator: If misting occurs, wear a NIOSH approved respirator, a respirator is not generally required.

Handling Advise: Normal handling and storage consistent with good manufacturing procedures should be used.

NOTE: The information in this MSDS is compiled from sources considered to be accurate to the best of our knowledge and applies to activities within the scope of the intended use of the product as a vegetable/seed oil. No warranty is expressed or implied with respect to completeness or continuing accuracy of the information given here. User should satisfy themselves that they have all current data relevant to their particular use.
